

Dear 1st year Prospective Student of MEDICAL AND DENTISTRY majors of PUM in 24/25

1	<b>First meeting</b> 16.09.2024 is scheduled for you with the Dean of the respective major and the Dean's Office Staff. Meeting point is <i>Aula Brzezińskiego</i> (Building 7) by USK 2 ( Hospital at Powstańców Wielkopolskich 72 street). Medicine English Program group division is according to the alphabet. N1 = last names from A to B . N2 = C - J; N3 =K - P; N4 Q - Z; NA = Asklepios accordingly. Rules and Regulations of studies will be explained. Educational Contracts will be signed during the scheduled hours in Rectorate building.
2	You start the obligatory <b>on-line courses</b> on Physics, Biology and Chemistry. One academic hour of F2F classes is scheduled for each group and for every subject starting from 17.09.2024. You will have the possibility to ask question to your Tutor about the on-line course, difficult tasks or extra material on the subject. During the whole semester you will be using these books. Chemistry classes are scheduled in Language Department; Physics is scheduled at the Department of Biophysics (same building as Language Department); Biology is scheduled at Unii Lubelskiej Hospital. Please use app PUM&CITY for map access [application is available in AppleStore and GoogleStore for free]
3	<b>Polish language</b> classes – „ <i>Studium Praktycznej Nauki Języków Obcych</i> ” so called <i>Language Department</i> , Ku Słońcu 12 street. The classes constitute an introduction to the obligatory course in Polish language held at the University. During the lessons, the student will learn the basic vocabulary and expressions used in everyday situations and become familiar with the following: Pronunciation: sounds in Polish Vocabulary: information signs, names of the streets and districts in Szczecin, university staff/ faculty members and facilities, emergency services in Poland, common expressions Formal vs. informal language: forms of address, greeting and farewells (declension of personal official pronouns and nouns)
4	<b>Physical Education</b> classes - " <i>Studium Wychowania Fizycznego i Sportu</i> ", Dunikowskiego 6a street, behind the Students' Dormitory.
5	<b>PUM Library.</b> Building is situated in front of the Dormitories. It is really worth to see it. You have to learn how to use it. One hour is planned for you to visit the Main Library of the University. You will learn how to access the resources including books and magazines on-line. <b>Each group will have 1 hour of training starting from the 2nd of October 2024.</b> <i>Powstańców Wielkopolskich 20 street.</i>
6	Trip around Szczecin. We invite you for a guided walking tour around the City of Szczecin with a professional English speaking guide. Presence is not obligatory, but who knows, maybe you will meet your best friend that day. Predicted date for the trip is <b>20.09.2024</b> . Please remember about comfortable shoes and appropriate for the weather clothing.
7	<b>Week after</b> the Orientation days is free from any school activities, except on-line pre-courses.
8	<b>Inauguration Ceremony Day</b> 01.10.2024. So called Rector's Day - traditionally no classes for the students.
9	Regular classes start from the <b>02.10.2024</b> according to the schedule prepared for each group for winter semester 24/25. Usually published 2 weeks prior the semester.
10	<b>IELTS exam</b> - could be in Septemeber, however based on individual request only.

### Schedule for the Orientation Days\_ first year students 2024/2025\_ of the Medical and Dentistry Faculty

**I day** 16.09.2024

**Monday**

		1	2	3	4	5	6
